THIS MEMO MAY CONTAIN PRIVILEGED ATTORNEY-CLIENT COMMUNICATIONS

On Friday 1/20:
ORC (Humane Zia) sent emails to Cabot's counsel re:

- 1) advising that EPA is available to meet with them; that I will call in next few days re: logistics.
- 2) reminding them that Cabot needs to secure its own access from residents for split sampling.

Humane also got a call from the Sierra Club inquiring how EPA would prefer to receive the information they have concerning a "laundry list" of situations in PA similar to Dimock.

Humane responded to an attorney (Shippen Howe) for Van Ness Feldman (DC firm representing energy sector) by sending him the link to the OSC website.

Shawn has asked for information early from us today (understanding that things will still be in motion as of 1:30) so please get what we have to John by 1:30pm. Also, I would appreciate an update later in the day, say by 5pm, of any new developments that I could forward to the 16th floor. thanks, Kathy
